

VIRTUAL FESTIVAL OF GEOLOGY GUIDE

Use this guide to discover the exciting programme of live events and use it to navigate quickly around the inaugural virtual Festival of Geology.

THE MAIN PAGE

You can quickly explore the different sections of the virtual Festival by clicking on the top banner of the page. There are four main areas of the website.

Live Events

- Lectures
- Break Out Rooms
- Discovery Room Workshops

Rockwatch Discovery Room

- Live Workshops
- Discovery Room Stalls
- Rockwatch Challenge

Tours & Field Trips

- Virtual Field Trips
- Self-Guided Walks
- Sunday Field Trips

Stalls

- Geologists' Association
- Traders
- Local Societies
- Museums

Plus, the **Photographic Competition** and the **Rockwatch Challenge**.

The Festival of Geology website will open at 00:01 on the 7th November 2020. All live events will be recorded and remain available to view on the Festival of Geology website until 23:59 on 31 December 2020.

LIVE EVENTS SCHEDULE

Lectures

- 10:30 - 11:30** **ABOVE AND BEYOND: DRONES ARE CHANGING THE WAY WE MONITOR VOLCANOES**
 by Dr Emma Liu, University College London
- 11:30 - 12:30** **LONDON THAMES TIDEWAY TUNNEL: A WINDOW TO THE GEOLOGY BENEATH THE RIVER**
 by Dr Tim Newman, Tideway London
- 12:30 - 14:00** **General GA Meeting Room**
 Hosted by the GA President – Vanessa Banks
Fossil Identification
 Hosted by the GA Vice President – Mick Oates
Geoconservation issues, Quaternary Research and Earth Heritage
 Hosted by the Colin Prosser & David Bridgland
Students Room
 Hosted by GA Student Reps past & present – Tom Phillips & David Pedreros Bastidas
Schoolrocks!
 Hosted by Haydon Bailey
- 14:00 - 15:00** **UV-B RADIATION WAS THE TERRESTRIAL KILLER AT THE DEVONIAN-CARBONIFEROUS BOUNDARY**

 by Prof. Philip Manning, Manchester University

Break Out Rooms

All live events will be held on Zoom. You can book a place for any of these events or view them live by visiting <http://festivalofgeology.org.uk/lectures-and-break-out-rooms/> or navigating to 'live events' on the main Festival page.

THE ROCKWATCH DISCOVERY ROOM

Live Workshops All live events will be held on Zoom. You can book a place for any of these events by navigating to the 'discovery room' or 'live events' pages using the links on the main Festival page.

11:00 - 12:00

THE GEOBUS EARTHQUAKE CHALLENGE

hosted by Dr Amy Edgington, University College London

14:00 - 15:00

CHALKING WITH DINOSAURS

hosted by Dr Liam Herringshaw of Hidden Horizons and the Yorkshire Fossil Festival

Stalls

Click on each of the stalls to take part in all the exciting Festival activities!

British Geological Survey

Dinosaur Isle Museum

Dublin Natural History Museum

GeoBus

Jane's Geological Adventure

Lapworth Museum

Lion Saltworks Museum

The Rock Showman

Rockwatch

Yorkshire Fossil Festival

The Discovery Room is aimed at young people and can be found as a link at the top of the main Festival page or directly at <http://festivalofgeology.org.uk/discovery-room/>

ROCKWATCH CHALLENGE

Take part in this years Rockwatch Challenge. You will find questions all across the virtual Festival of Geology website (look out for the challenge logo on the website or the purple dot in this guide to help you find them).

Step 1: Find and answer ten questions on the Rockwatch challenge online form.

Step 2: Either print out and fill in the vFoG passport or fill in and submit the form online. If you get 10 right answers, you will be sent an exclusive Rockwatch Challenge badge.

You can take part in the Rockwatch Challenge by visiting the challenge page on the Festival of Geology website which can be found at <http://festivalofgeology.org.uk/rockwatchchallenge/>

VIRTUAL TOURS AND FIELD TRIPS

Click on each of the stalls on the Festival webpage to download self guided walks or take a virtual field trip from the comfort of your home!

GA Walk: Building Stones

GA Walk: Urban Geology

Building Stones of Devon

Mary Anning Rocks

Saltwells Black Country Geopark

Teme Valley Geological Society
