Do you love geology?

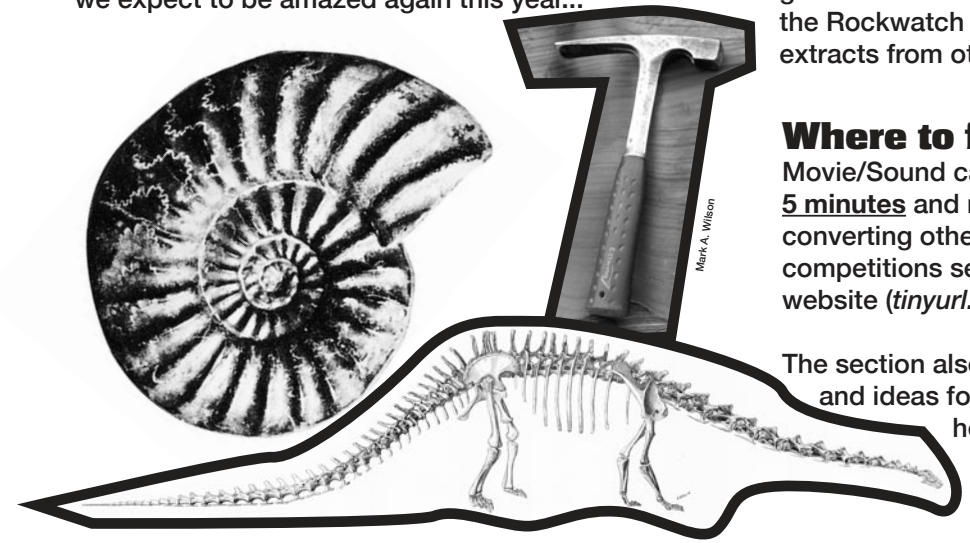
If you do, our Rockstar Competition is for you!

What do you have to do?

We want you to use your imagination to make a competition entry that can be about anything at all to do with geology.

It can be about rocks, fossils, dinosaurs, mountains, cliffs, caves, beaches, building stones, volcanoes, metals, crystals, geological pioneers and explorers, landscapes, earthquakes, or anything else geological you can think of!

Your entry can also take any form you want it to... In the past we've received geology-themed models, board games, word games, drawings, paintings, illustrated books, recipes, Powerpoint presentations, mini-films, embroidery, knitting, clothing, puzzles and sculptures. The variety has been astonishing... and we expect to be amazed again this year...



What are the categories and prizes?

The six categories for Under 16s are:

- 8 and under
- 8 and under movie/sound
- 9-12
- 9-12 movie/sound
- 13-16
- 13-16 movie/sound

Each category carries 3 cash prizes.
First prize £150. Second £125. Third £100.

The person voted overall winner – the best entry we receive from any of the age groups – becomes **Rockstar 2024** and receives an additional £150 prize.

Everyone who enters the competition will receive a small gift. Some of the competition entries may be published in the Rockwatch club magazine in full and we may use extracts from others.

Where to find help and ideas

Movie/Sound category entries must be **no longer than 5 minutes** and must be submitted in **MP4 format**. Help on converting other movie/sound file types to MP4, is in the competitions section of the Rockwatch website (*tinyurl.com/3535z9km*).

The section also contains lots of tips and ideas for entries and advice on how to make your entry look its best.

What do the judges look for?

They have six criteria when judging each competition entry. They are:

- Originality
- Geological Content
- Geological Accuracy
- Presentation
- Artistic/Literary Merit
- Inventiveness and Knowledge (*related to the age of the entrant*).

Rockstar Young Writer

is for those aged between 16 and 18 on 31 August, 2024. Your written entry must be no longer than 1,500 words and illustrated if possible.

The winning **Rockstar Young Writer** receives £150, plus Student membership of the Geologists' Association (GA) and their article may be printed in the GA magazine. (This would look great on your CV when applying for university or a job!)
