

# INTERNATIONAL GEODIVERSITY DAY

6<sup>TH</sup> OCTOBER 2025

**Activity:** Story Pebbles

**Materials:** Pebbles, paint pens

**Think:** What stories do the pebbles tell you? Where did the pebble come from and what do you know about that area?

**Activity:** Stratigraphy Sandwich

**Materials:** Play-dough in layers

**Think:** What does deep time tell us about the Earth? How do the different fossil layers help to demonstrate this?

**Activity:** Time-Capsule

**Materials:** Small box, paper, rocks and fossils

**Think:** Gather together some rocks, fossils, a newspaper article about the Earth, and anything you want others to learn about in the future.

## GEODIVERISTY REFERENCES

Note the websites or books you used to find your information.

1.
