

CHRISTMAS GEOLOGY

ACTIVITY SHEET

PEBBLE PAINTING

You will need:

- Smooth pebbles
- Acrylic or poster paint
- Paintbrushes
- Water pot & paper towels
- PVA glue or clear varnish (optional)

WHAT TO DO:

1. Wash and dry your pebbles.
2. Paint them as Christmas designs – snowmen, robins, stars, festive patterns, or even fossils.
3. Leave to dry, then seal with glue or varnish if you wish.

CHRISTMAS GEOLOGY

ACTIVITY SHEET

PEBBLE CHRISTMAS TREE STACKS

You will need:

- Pebbles in different sizes
- Strong glue (adult help needed)
- Green, brown and gold paint
- Optional glitter or sequins

WHAT TO DO:

1. Sort pebbles from largest to smallest.
2. Glue them in a stack to make a tree shape.
3. Paint green, add decorations, and a star on top.

CHRISTMAS GEOLOGY

ACTIVITY SHEET

DINO-PEBBLE CHARACTERS

You will need:

- Pebbles
- Paint and brushes
- Glue
- Optional felt, paper or googly eyes

WHAT TO DO:

1. Choose a pebble shape that looks like a dinosaur body.
2. Paint your dinosaur – T. rex, Stegosaurus or your own invention!
3. Add festive extras like Santa hats or scarves.

ACTIVITY SHEET

SALT DOUGH FOSSILS

You will need:

- 2 cups flour
- 1 cup salt
- 1 cup water (add slowly)
- Shells, leaves, toy dinosaurs or bones

WHAT TO DO:

1. Mix flour and salt, then slowly add water to make dough.
2. Flatten the dough.
3. Press objects into it to leave an imprint.
4. Let dry or bake on low heat with adult help.
